The Complete Assessment Consultation

… a "you are here" picture of your church.

In order to know how to get to where you are wanting to go, you need to know where you are. How are you doing at achieving the dream you believe God has for your church? What is the present reality in your church and in your community?

If you already have a destination in mind (a preferred future), this assessment gives you a clear picture of where you are and will conclude with recommendations of how to get to where you are wanting to go.
